

a pipeline across the ridge to the Pony Creek basin, discharging into a natural channel flowing into Upper Pony Creek Reservoir. As needed, water stored in Upper Pony Creek Reservoir would be released into lower Pony Creek where it is withdrawn and treated at the water treatment plant.

The alternatives to be considered in the DEIS area:

- the proposed project
- development of other water supplies to meet the project objectives
- no action.

The scoping process will commence in March 1995 with the issuance of a scoping letter. Federal, state and local agencies, Indian tribes, and interested organizations and individuals will be asked to comment on the significant issues relating to the potential effects of the alternatives. Potentially significant issues to be addressed in the DEIS include: effects of the project on wetlands, wildlife habitat and populations, and fisheries.

A formal scoping meeting has not been scheduled. The applicant has scheduled a public meeting to be held at 7:00 pm, on April 5, 1995, at the North Bend Public Library, North Bend, Oregon. the purpose of the public meeting is to provide more information on the project and the scope of studies to be accomplished for this DEIS, to assist interested parties in developing their scoping comments.

The DEIS is scheduled to be made available to the public in late 1995.

Kenneth L. Denton,

Army Federal Register Liaison Officer.

BILLING CODE 3710-AR-M

Corps of Engineers

Finding of No Significant Impact (FNSI) for a Draft Environmental Impact Statement (DEIS) for the Lower Santa Cruz River Flood Control Study, Pinal County, AZ

AGENCY: Corps of Engineers, Los Angeles District, DOD.

ACTION: Finding of no significant impact.

SUMMARY: The **Federal Register**, Volume 55, No. 105, dated May 31, 1990, contained a Notice of Intent to Prepare a Draft Environmental Impact Statement for the Lower Santa Cruz River Flood Control Study, Pinal County, AZ. No implementable flood control plan was developed, and the study has been terminated. No Draft Environmental Impact Statement was prepared.

ADDRESSES: U.S. Army Corps of Engineers, Los Angeles District, P.O. Box 2711, Los Angeles, CA 90053-2325.

FOR FURTHER INFORMATION CONTACT: Mr. William R. Burton, 894-4352.

Kenneth L. Denton,

Army Federal Register Liaison Officer.

BILLING CODE 3710-KF-M

Corps of Engineers

Intent To Prepare a Draft Environmental Impact Statement (DEIS) for the Proposed Surface Coal Mining Operation in Saline County, Illinois

AGENCY: U.S. Army Corps of Engineers, Louisville District, DOD.

ACTION: Notice of Intent.

SUMMARY: The proposed project involves the surface mining of coal from 1,537 acres of a 1,935 acre site located 1 to 3 miles west of Harrisburg in Saline County, Illinois. The proposed surface mine includes approximately 400 acres of jurisdictional wetlands. The major impacts would be the permanent relocation of Bankston Fork, construction of a haul road to the coal extraction areas using a bridge over Bankston Fork, construction of 12,500 feet of levee along Bankston Fork to provide temporary flood protection for the mining site, and surface mining coal from 1,537 acres.

ADDRESSES: U.S. Army Corps of Engineers, Louisville District, P.O. Box 59, Louisville, Kentucky 40201-0059.

FOR FURTHER INFORMATION CONTACT: Mr. Michael Turner, (502) 582-6015.

SUPPLEMENTARY INFORMATION: The wetland areas to be impacted consist of approximately 200 acres of palustrine forested wetlands with the remainder being open water, scrub/shrub, and emergent wetlands. The relocation of Bankston Fork would be accomplished by excavating 291,000 cubic yards of material. This material would be utilized in constructing a temporary flood control levee. The new stream channel would be 7,450 feet long, 450 feet longer than the existing stream channel. After relocating the stream and construction of a bridge, mining would consist of removing the overburden in 150 to 200 foot wide open pits of varying lengths using a large dragline. Mining would progress through the area protected by the levee over a period of 7 years commencing in 1996.

Proposed mitigation for the loss of wetlands will consist of the creation of nearly 700 acres of wetlands on-site and

the restoration of same on another 200+ acres both on- and off-site. Open water, forested, scrub/shrub, and emergent wetlands are planned.

The Corps of Engineers will initiate a scoping process for the purpose of determining the range of issues to be addressed in the Draft Environmental Impact Statement (DEIS). A public scoping meeting is scheduled for Wednesday, April 26, 1995, beginning at 7:00 p.m., in the Pruett-Patton Building which is located on Church Street next to and behind the Mitchell-Carnegie Public Library in Harrisburg, Illinois.

A brief presentation will precede the request for public comment. Corps representatives will be available at this meeting to receive comments from the public regarding issues which should be addressed in the preparation of the DEIS. It is important that Federal, state, and local agencies and interested individuals take this opportunity to identify environmental concerns. In the interest of available time, each speaker will be asked to limit their oral comments to ten minutes.

Agencies and the public are also invited and encouraged to provide written comments in addition to, or in lieu of, oral comments at the public meeting. To be most helpful, scoping comments should clearly describe specific issues or topics which the individual or agency believes the DEIS should address. Written statements should be mailed to the above address not later than May 8, 1995.

Kenneth L. Denton,

Army Federal Register Liaison Officer.

BILLING CODE 3710-JB-M

Department of the Navy

Office of the Deputy Assistant Secretary of the Navy (Conversion and Redevelopment); Community Redevelopment Authority and Available Surplus Buildings and Land at Military Installations Designated for Closure: Naval Training Center, Orlando, FL—Main Station

AGENCY: Department of the Navy, DOD.
ACTION: Notice.

SUMMARY: This Notice provides information regarding the redevelopment authority that has been established to plan the reuse of the Naval Training Center, Main Station, Orlando, FL, the surplus property that is located at that base closure site, and the timely election by the redevelopment authority to proceed under new

procedures set forth in the Base Closure Community Redevelopment and Homeless Assistance Act of 1994.

FOR FURTHER INFORMATION CONTACT: John J. Kane, Deputy Division Director, Department of the Navy, Real Estate Operations, Naval Facilities Engineering Command, 200 Stovall Street, Alexandria, VA 22332-2300, telephone (703) 325-0474; or E.R. Nelson, Real Estate Division, Southern Division, Naval Facilities Engineering Command, 2155 Eagle Drive, North Charleston, SC 29419-9010, telephone (803) 743-0494. For detailed information regarding particular properties identified in this Notice (i.e. acreage, floor plans, sanitary facilities, exact street address, etc.), contact Captain Harry Smith, Base Transition Office, Naval Training Center, Orlando, FL 32813-5005, telephone (407) 646-5301.

SUPPLEMENTARY INFORMATION: In 1993, the Naval Training Center, Orlando, FL, was designated for closure pursuant to the Defense Base Closure and Realignment Act of 1990, Public Law 101-510, as amended. Pursuant to this designation, the majority of the land and facilities at this installation were on April 29, 1994, declared surplus to the federal government and available for use by (a) non-federal public agencies pursuant to various statutes which authorize conveyance of property for public projects, and (b) homeless provider groups pursuant to the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended.

Election To Proceed Under New Statutory Procedures

Subsequently, the Base Closure Community Redevelopment and Homeless Assistance Act of 1994 (Pub. L. 103-421) was signed into law. Section 2 of this statute gives the redevelopment authority at base closure sites the option of proceeding under new procedures with regard to the manner in which the redevelopment plan for the base is formulated and how requests are made for future use of the property by homeless assistance providers and non-federal public agencies. On December 13, 1994, the Naval Training Center Reuse Commission submitted a timely request to proceed under the new procedures. Accordingly, this notice of information regarding the redevelopment authority fulfills the **Federal Register** publication requirement of Section 2(e)(3) of the Base Closure Community Redevelopment and Homeless Assistance Act of 1994.

Also, pursuant to paragraph (7)(B) of Section 2905(b) of the Defense Base

Closure and Realignment Act of 1990, as amended by the Base Closure Community Redevelopment and Homeless Assistance Act of 1994, the following information regarding the surplus property at the Naval Training Center, Main Station, Orlando, FL, is published in the **Federal Register**:

Redevelopment Authority

The redevelopment authority for the Naval Training Center, Orlando, FL, purposes of implementing the provisions of the Defense Base Closure and Realignment Act of 1990, as amended, is the Orlando Naval Training Center Reuse Commission. A cross section of community interests is represented on the Commission. Day to day operations of the Commission are handled by Mr. Herb Smetheram, Executive Director. The address of the Commission is 400 South Orange Avenue, Orlando, FL 32801-3302, telephone (407) 246-3093 and facsimile (407) 246-3164.

Surplus Property Descriptions

The following is a listing of the land and facilities at the Naval Training Center, Main Station, Orlando, FL, that were declared surplus to the federal government on April 29, 1994.

Land

Approximately 1,184 acres of improved and unimproved fee simple land at the Naval Training Center, Main Station, Orlando, FL.

Buildings

The following is a summary of the facilities located on the above described land which will also be available when the center closes in October, 1998, unless otherwise indicated. Property numbers are available on request.

- Barracks (72 structures). Comments: Approx. 2,703,400 square feet.
- Housing/Housing Support (5 structures). Comments: Approx. 11,290 square feet.
- Personnel/Community Support (75 structures). Comments: Approx. 581,000 square feet.
- Administration (22 structures). Comments: Approx. 227,700 square feet.
- Operational Training/Fuel (20 structures). Comments: Approx. 1,113,000 square feet.
- Maintenance (10 structures). Comments: Approx. 66,000 square feet.
- Storage/Medical (6 structures). Comments: Approx. 114,000 square feet.

Expressions of Interest

Pursuant to paragraph 7(C) of Section 2905(b) of the Defense Base Closure and Realignment Act of 1990, as amended by the Base Closure Community Redevelopment and Homeless Assistance Act of 1994, State and local governments, representatives of the homeless, and other interested parties located in the vicinity of the Naval Training Center, Main Station, Orlando, FL, shall submit to said Commission a notice of interest, of such governments, representatives, and parties in the above described surplus property, or any portion thereof. A notice of interest shall describe the need of the government, representative, or party concerned for the desired surplus property. Pursuant to paragraphs 7 (C) and (D) of Section 2905(b), the Commission shall assist interested parties in evaluating the surplus property for the intended use and publish in a newspaper of general circulation in Orlando the date by which expressions of interest must be submitted. Under Section 2(e)(6) of the Base Closure Community Redevelopment and Homeless Assistance Act of 1994, the deadline for submissions of expressions of interest may not be less than one (1) month nor more than six (6) months from the date the Commission elected to proceed under the new statute, i.e., December 13, 1994.

Dated: February 17, 1995.

M.D. Schetzle,

LT, JAGC, USNR, Alternate Federal Register Liaison Officer.
